

ASIA LEADERSHIP CONFERENCE 2018

Personal Leadership: Tools and Strategies to Navigate Through Uncertain Times

November 3, 2018

Regular Rate (MYR): 300.00

Group Rate of 50 (MYR): 250.00

This program is claimable under HRDF. Program fee includes teaching fee, program materials and meals (excludes travel and accommodation expenses of participants).

CONTENT OVERVIEW

First inception in 2014, the Asia Leadership Conference (ALC) is an extraordinary opportunity to learn leadership, entrepreneurial, and 21st century core skills from scholars from Harvard, Stanford, Tufts Fletcher School of Law and Diplomacy, and other world-leading universities. The 18th ALC (Malaysia edition) takes place in Kuching in November 2018. This 1-day leadership program is designed to expose participants to varied leadership paradigms to better understand what real leadership looks like. Through a mixture of plenary sessions and interactive workshops, participants will have opportunities to learn effective communication skills to engage, motivate and mobilize peers towards common goals. Participants will also be exposed to innovative paradigms that can add value for personal development.

PROFILE OF TEACHING FELLOWS

SAMUEL KIM

Samuel Hungsoo Kim, a Korean national, is the Co-founder and President of the Center for Asia Leadership Initiatives (CALI). He is passionate about nurturing and empowering talent in Asia and runs over 42 programs annually, in more than 27 Asian countries. His research and training focus on building social capital and trustworthy institutions; the effective use of power, authority, and influence; and negotiations, mediation, and confidence-building. To date, some 36,000 burgeoning and established leaders from the governmental, political, non-profit, and corporate spheres in Asia have benefited from his programs. He has worked for and with over 30 renowned organizations, including the United Nations, UNESCO, Samsung, and Toyota. He currently sits on the boards of three social-profit organizations and has served as a visiting fellow at the Asia Center at Harvard University and the Kellogg School of Management in Northwestern University. Samuel holds a Master's in Public Administration from the Harvard Kennedy School of Government; a Master's in International Cooperation from Seoul National University; and an LLB in Law, International Politics, and Economics from Handong University.

RAJAN PATEL

Rajan Patel is an avid inventor who believes we can build things to help others. He co-invented the Embrace incubator, a product of empathy-driven design that has impacted and saved the lives of over 250,000 babies across the developing world and has won numerous awards including The Economist Social Innovation Award, Top Innovation from the World Health Organization (WHO), and the McKinsey Social Innovation Award. Today, Rajan is passionate about empowering other inventors and problem solvers of tomorrow. He trained at Stanford d.school to become an Instructor of design thinking and has organized and led over 20 programs of his own across six countries, while also coaching executives at the Stanford Graduate School of Business. Rajan holds a BS and MBA from Stanford, and an MPA from Harvard.

UMAR SHAVUROV

Umar Shavurov holds a MPA from the Harvard Kennedy School and MA in International Relations and Conflict Resolution from the University of Salvador (Argentina). He also holds Diploma in International Relations from the Kyrgyz State University. He worked extensively over the last decade internationally on public sector reforms in Latin America, West Africa, and Central Asia. During 2017 fall term Umar taught an inaugural course on adaptive leadership at the American University in Central Asia.
